

# Risk Assessment Information for Bus & Coach Hire

***Our intention in producing this document is to complement Schools and Corporate Clients with their own Risk Assessment reports.***

**As a responsible coach company we have :**

- £10 MILLION Public Liability Insurance ***Does your Operator?***
- All vehicles fully covered by Comprehensive Insurance.
- Employed Peninsular Business Services who specialise in Personnel, Employment Law and Health and Safety Issues. They co-ordinate our own Health and Safety Policy and COSHH assessments for our operating base and workshops.
- Are members of The Confederation of Passenger Transport.
- Only employ drivers with a minimum of Class 1 or Class 2 licences.
- Operate in-house driver training to ensure each driver is familiar with the coach that he drives from our fleet.
- Ensure regulations covering drivers and particularly with regard to drivers' hours are strictly adhered to and all drivers are fully aware of these.
- Our own fully staffed workshops for carrying out regular maintenance on vehicles and which are also capable of carrying out complex repairs if necessary.
- Contracts with reputable tyre suppliers who check and replace tyres on a regular basis. All wheels are fitted with Disk-Lok wheel nuts for your added safety.
- All our buses and coaches are fully fitted with seatbelts.
- All our coaches are fitted with 'hands free' mobile phones or individual mobile telephones via our operations office.
- All coaches carry safety information sheets, First Aid boxes and Fire Extinguishers and drivers are instructed to inform passengers of all escape windows/doors/emergency exit locations, which must be kept clear of baggage at all times, before a trip commences.
- We do not allow smoking on any of our coaches.
- Laser Light pens are not permitted on coaches due to the opportunities for abuse.
